SEVENTH FRAMEWORK  
PROGRAMME

# GAs and KEEs

StarTree is a research consortium of 24 partner organisations spread across Europe. Every 6 months the partners meet to discuss, learn and make decisions. These meetings are called **“General Assembly” or “GA” meetings.**

In parallel with these meetings, StarTree also holds **“Knowledge Exchange Events”(KEEs).** Typically during a GA meeting consortium partners work on StarTree business for two days in a conference venue, and go on a one-day KEE.

The KEEs can include field trips, presentations by local businesses and organisations, and NWFP product markets. **Other NWFP/MPT stakeholders are invited to the KEEs, not just the partners in the StarTree consortium.**
