

Annual Gathering 2016

7th - 9th October
Well Road Centre,
Moffat

This year's gathering is based at the Well Road Centre in Moffat.

The theme of the weekend will be Upstream/Downstream: looking at how upland management affects farms and settlements on lower lying land. We will hear from the Director of Borders Forest Trust (BFT), Jane Rosegrant, about plans for 'Restoring the Wild Heart of Southern Scotland', Andrew Heald of CONFOR on meeting government tree planting targets, Peter Beck-Samuels on the community buy-out of Gallowhill, and Hugh Chalmers, one of our directors, will pass on some of his expertise in rewilding rivers. Visits will include Peter Dreghorn's cabin in the woods and BFT sites at the Devil's Beeftub and Corehead.

We will start with the customary Buildings Tour on Friday 7th. It will include the traditional hutting site Of Soonhope, Gaia architect's ecobuildings at Glentress and the John Muir Trust tree nursery.

Catering will again be by Tiril Planterose.
